

PHOTO & VIDEO POLICY

At Bayview Glen Church we value the way in which photos, videos and other media help our faith community grow and flourish.

Accordingly, photography, videography, live streaming and other recording may be in progress at Bayview Glen's services, activities, and other events. Bayview Glen may use the media recorded at these events in materials produced by or for the church, including but not limited to our printed and electronic materials, digital media (e.g., Bayview Glen's website, online, Facebook and other social media sites).

By entering the facilities or participating in Bayview Glen services, ministry activities, and events: (i) you are granting consent to be photographed, videotaped or otherwise recorded; (ii) you grant your permission for Bayview Glen to use recordings containing your image, likeness, voice or statements, without compensation, credit or other consideration to you, for Bayview Glen's promotional, publicity and other purposes, throughout the world and in perpetuity; and (iii) you agree to release, hold harmless and indemnify Bayview Glen, its ministries, successors, assignees or licensees from any and all liabilities and claims involving the use of your image, likeness, voice or statements.

While we reserve the right to photograph and record church events, we strive to ensure that photography and videography are used in safe and positive ways. We will not knowingly and intentionally post any photo, video or other recording that would be embarrassing, objectionable or hurtful to any clearly, personally identifiable individual in the recording. Bayview Glen will also not knowingly post images with identifying information such as name, address, email address, or family member's names. In the rare case when it is needed, individual consent will be requested prior to publishing, eg. in the case of testimonies, etc.

Additionally, if you see a photo on a Bayview Glen website or social media page (e.g., Facebook) that includes you or your child and would like it removed, please contact the Church Office at info@bayviewglen.org. Please note we cannot remove your image from video or live stream messages. Please understand that Bayview Glen has no control over the recording, use and posting of images or other media by non-church staff (e.g., by community members, news outlets) and no ability to remove such media from publications, including internet or social media sites, that are not run by Bayview Glen.
